Reminder to Families

A reminder to families that the season is changing, it's time to take the summer clothing out of the residents closets and bring in their winter clothing. The reason we say this, is the closets are not big enough for all their clothing. Please make sure if you bring in clothing, blankets, etc. it needs to go to the laundry room before the resident wears it. IT NEEDS TO BE MARKED. Ask the nurse to give to laundry by the sewing area, with a note as to which resident it is for.
Thank You.

Sometimes it's important to work for that pot of gold. But other times it's essential to take time off and to make sure that your most important decision in the day simply consists of choosing which color to slide down on the rainbow.
