## ***Resident of the Month: Jan Heller***

Jan was born in St. Paul on July 19, 1940 to Harold and Martha (Runberg) Hennen. She was raised in Mellen, WI and Prior Lake, MN. In her growing up years she was especially fond of swimming and playing the accordion. While working as a receptionist at Dr. Nevin's dental office in Shakopee she met Howie Heller and after their first date of going to a baseball game the rest was history. They married on February 20, 1960, and had 6 children (2 girls and 4 boys). Her family has since grown into 15 grandchildren and 4 great-grandchildren.

Her career consisted of working at a dental office, a bank, and a heating & air company, as well as being a beloved cleaning lady to friends in Bloomington and Edina. Hobbies included gardening and cake decorating and her favorite weather is hot – the hotter, the better.

Her life changed when she experienced a brain bleed at the age of 53 but rarely did she or does she complain from the effects of it. You won't find a more easy-going, positive person than Jan. She always has a smile on her face and is an inspiration to all who know her.
